

SANDRINGHAM IN SUMMARY...

We provide the following benefits (amongst others):

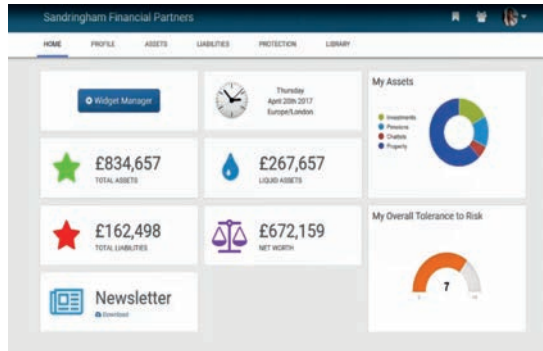

- We offer independent financial advice and we are proud to be commercially independent (no vertical integration).
- In house para-planning and Sandringham administration service (SAS).
- Professionally packaged client marketing.
- Wealth Platform Client Portal, providing live valuations across the market.
- Our adviser designed back office system, Enable.
- Experienced head office Partner support team.
- An 'independent and impartial' view on the market – over 280 agencies and data feeds across the market, meaning there is no requirement to move client monies at any point.
- Fully guaranteed PII (no excess liability, now or in the future).
- Sandringham provides 120 Investment options from 31 fund managers, including Prudential, RSMR and Fusion within it's core Investment proposition.
- Free of charge business growth/planning support.
- Learning Academy.
- Recognition that ownership of clients stays with our Partners.
- Multiple ways to join us as an RI, AR or Trading Style.
- Your own personalised website.
- Significant client transfer/transition support.
- Quarterly Partner events and regular informal 'best practice' meetings.
- A true Partnership culture design to support you and your business to provide great client outcomes in an environment where we do not take a penny from Investment partners or platform technology providers.
- A unique and market leading client review process, which eliminates advisers admin time and maximises the engagement between an adviser and a client.

Our Partner commercials are as follows:

- £514 per month basic retention (no charge for 6 weeks)
- Variable retention of only 9.5% of turnover
- A FSCS levy currently less than £115 per month
- Equity Partner status
